Caribou Viking Riders currently are responsible for Trail 633F Connor Twp Trail and 637/637D Limestone Connector Trail. We additionally will be focused on drawing attention to the trail systems of Caribou maintained by the Caribou Rec Department. We will respectfully and responsibly use the trails while obeying all State of Maine, and City of Caribou laws and regulations in regards to ATVing. Lastly, we will have fun and enjoy the trails at our own risk and not hold liable the Caribou Viking Riders ATV Club or officers, the City of Caribou, or the landowners for any injuries or machine damage caused while on the Caribou trail system.

I, freely and willingly, agree to the above statement.
